

George Ratiu

Economist

National Association of REALTORS®

George Ratiu is an Economist with the NATIONAL ASSOCIATION OF REALTORS® in Washington, D.C. He conducts research in the areas of commercial real estate, investments and mortgage foreclosures, and writes regular columns for *Real Estate Insights*, *SIOR's Professional Report* and *Commercial Property Executive*. Mr. Ratiu produces NAR's Commercial Real Estate Outlook, which provides quarterly forecasts for the office, industrial, retail and multi-family sectors. He also manages the NAR Commercial Real Estate Quarterly Market Survey.

Prior to NAR, Mr. Ratiu worked as an international development consultant and conducted economic research in Eastern Europe. He also managed quantitative research projects in higher education administration and taught Economics courses at Western Kentucky University.

Mr. Ratiu received his undergraduate degree from Campbellsville University and earned his graduate degree in Economics from Western Kentucky University.
